

The Source

Where the river gets its life from.

See: John chapter 7 verses 38,39 (John 7:38,39)

Also Isaiah 55:10,11 and Isaiah 58:11

From the above verses what two things is the RIVER a picture of?

According to Job
one of the things people should
do in their lives is search the
source of rivers
(Job 28:10)

What is the source of
your life??

What do you get your inspiration from?

How much does God feed your river?

See Hebrews 5:8,9

The River How deep is it where you are?
Considering the two things from above as being the
river, how *deep* are you in it? (See Ezekiel 47: 3-6)?

Look up Revelation 1:15...what was coming out of
Jesus' mouth?

Do your words flow from the **Source** of God or from
some other source?

See Psalm 34:1. How does that verse link in with
this study?

The Dam Things which stop the
river flowing
See Hebrews 12:1
What things stop the river flowing in you?

The Tree of Life

Refreshment for those by
the river

See Revelation 22:1-3
and Ezekiel 47:12

What "fruit" and "healing"
can the River of Life in you
bring to those around you?

Diverted Streams

Where you lose your way and forget the true purpose
of life

...what *is* God's true purpose for your life?

See

Ecclesiastes 12:13

Hebrews 12:2

and

Matthew 28:19,20

The Sea

the world we need to bring life to

Study: The River of Life
